ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET WITH THE ADDED BENEFIT OF BEING SOLD WITH NO UPWARD CHAIN THIS TOTALLY RENOVATED AND REMODELLED FOUR BEDROOM SEMI DETACHED HOUSE SITUATED IN THIS QUIET AND ESTABLISHED RESIDENTIAL CUL DE SAC LOCATION.

With accommodation over two floors, the ground floor comprises entrance hall, ground floor shower room, dual aspect living room, kitchen and utility room. The first floor landing then provides access to four bedrooms and a bathroom.

The property also benefits from gas fired central heating from newly installed combination boiler, double glazing throughout, newly fitted kitchen and bathroom, totally redecorated with new floor coverings, recently laid front driveway and landscaped garden to the rear.

Although there are still some finishing touches to be done to the property, which will all be completed in preparation for the new owner, we would highly encourage an internal inspection to appreciate the work undertaken throughout.

The property is situated in this favoured and established catchment location within walking distance of excellent nearby schooling for all ages such as William Lilley, Fairfield and George Spencer. There is also easy access for those needing to commute to good transport networks such as the A52 for Nottingham and Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

There is easy access to nearby open spaces such as Archer's Field and Queen Elizabeth Park which boasts a bowling green, tennis court, football pitch and children's play area.

We believe the property will make an ideal first time buy or family home and we highly recommend an internal viewing.
