ROBERT ELLIS ARE DELIGHTED TO WELCOME TO THE MARKET WITH THE ADDED BENEFIT OF BEING SOLD WITH NO UPWARD CHAIN THIS DETACHED, DOUBLE FRONTED, TWO BEDROOM DETACHED BUNGALOW SITUATED IN THIS POPULAR AND ESTABLISHED RESIDENTIAL LOCATION.

With accommodation on one single level, comprising a welcoming central hallway, two double bedrooms to the left of the hallway, newly installed four piece bathroom suite centrally off the hallway, bay fronted living room to the front and newly fitted open plan dining kitchen to the right of the entrance hallway.

The property also benefits from gas fired central heating, double glazing, ample off-street parking to the front and side of the property, detached garage and generous garden space.

There is also an aluminium pulldown loft adder to a useable loft space with landing storage area, restricted head height space with Velux window and storage cupboards. The rooms have no regulatory paperwork to be classed in any way as bedrooms. However, if the onward purchaser wishes to explore using this space further, there is lots of potential to create extra living space (subject to the relevant permissions and approvals).

The bungalow is located in this popular and established residential location within close proximity of both Stapleford and Beeston town centres which offer a wide variety of national independent shops and retailers. There is also easy access to ample outdoor space, as well as great commuter links such as the A52 for Nottingham and Derby, Junction 25 of the M1 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

We believe the property would make an ideal downsize or retirement property due to the property being on a relatively level plot from front to back. We highly recommend an internal viewing to appreciate the recent renovation work carried out.
