

Risley Lane,
Breaston, Derbyshire
DE72 3AU

£520,000 Freehold

THIS IS A LIGHT AND AIRY FOUR BEDROOM DETACHED HOME PROVIDING SPACIOUS GROUND FLOOR LIVING ACCOMMODATION WHICH IS SITUATED AT THE HEAD OF A QUIET, PRIVATE DRIVE CLOSE TO THE HEART OF BREASTON VILLAGE

Situated just off Risley Lane, this individual detached home has over recent months had certain works carried out to the roof, replacement of windows and glazed panels, the soffits and fascias have been replaced and there has been a dividing wall placed on the first floor landing to form one of the bedrooms. The property is being sold with the benefit of NO UPWARD CHAIN and for interested parties to be able to appreciate the size and layout of the accommodation and privacy of the mature, southerly facing garden for themselves, we recommend that they take a full inspection so they are able to see all that is included in the property for themselves. The property is well placed for easy access to the centre of Breaston village which has many local amenities and facilities and to excellent transport links, all of which have helped to make this a very popular and convenient place to live.

The property has a gable fronted appearance and is constructed of brick with tiling to the front elevation all under a pitched tiled roof which, as previously mentioned, has had work carried out to it over recent months. The property benefits from gas central heating with new radiators having been fitted throughout the property and double glazing, again with certain new windows and glazed panels have been recently replaced and the well proportioned and light accommodation is entered through the enclosed porch into the reception area from where stairs lead to the first floor and this opens to the main lounge/sitting area which has windows to the front and side, with the side window overlooking the beautiful gardens. There is a hall which has a newly fitted ground floor w.c. off and leads to the dining/sitting room which has patio doors leading out to the garden and a window to the rear, a study or what could be a separate dining room/play room or similar and to the breakfast kitchen which has ranges of wall and base units and a door leads from the kitchen out to the side of the house. To the first floor the landing leads to a bedroom at the front and this has an en-suite shower room with the landing extending towards the rear of the property where there are two further double bedrooms and a single bedroom and the main family bathroom which is fully tiled and has a corner bath with a shower over. Outside there is an adjoining brick garage which has a storage area at the rear, an outside store, a drive and parking at the front which has been recently extended and there is a gate to the right providing access down the side where there is a slabbed area which could be a place to sit a hot tub, shed or other garden building and the path extends around the rear of the house where there are lawns and mature borders with natural screening to the boundaries, to a series of paths with planted beds and to the southerly facing main garden which has a patio next to the dining/sitting room, there is a large lawn with mature borders to the sides, a beech hedge runs down the main side boundary and the garden provides several places to sit and enjoy outside living.

Breaston village offers a number of local amenities and facilities including local shops, schools for younger children, three pubs, a bistro restaurant and several coffee eateries, there are further shopping facilities including Asda, Tesco, Lidl and Aldi stores as well as many other retail outlets and the schools for older children include the Wilsthorpe Academy and Trent College Independent School, there are healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

Outside

The gardens are an important feature of this lovely home with there being a driveway in front of the garage with a further parking area having been created with Newbury flint stone set in a grid, there is screening to the left where access could be provided to the main garden at the side of the house and to the right hand side there is a gate leading to the garden at the side and rear.

At the side of the property there is a slabbed area which has fencing to the boundaries and this would provide an ideal space to position a shed or similar outbuilding, or a hot tub. The path extends around the side of the house to the rear where there are lawned garden areas with established borders to the sides and hedges providing natural screening to the boundaries. The path extends to the rear of the house where there are further established borders and to a network of paths which again have planted beds to the sides and natural screening to the rear boundary, the main lawned garden is south facing with there being a patio next to the patio doors leading from the dining/sitting room, there is a beech hedge running along the main side boundary and a path extends down the side of the property to the front where access could be provided out to the front of the house if this was preferred. The garden has mature planting with there being a beautiful camellia bush in the bottom left hand corner and as people will see when they view the property, the gardens are extremely well stocked with plants around the lawn and in other areas and there are external lighting points.

Outside Store

Having a half glazed door and an outside tap.
