

Colwick Road
Nottingham NG2 4AN

FOUR DOUBLE BEDROOMED VICTORIAN
HMO

Asking Price £250,000 Freehold

Situated on a prominent corner plot along Colwick Road, NG2, this beautifully renovated three-storey Victorian home offers an exceptional blend of period charm and contemporary living. The property is offered to the market chain free and further benefits from a detached single garage, concrete yard, and rear access.

Boasting a wealth of character, the home features high ceilings and generously sized rooms, enhanced by large uPVC windows that flood the space with natural light throughout. Offering spacious and versatile accommodation, the property comprises four well-proportioned double bedrooms and two stylish bathrooms.

To the ground floor, there are two inviting reception rooms, including a comfortable lounge and a separate dining room—ideal for both relaxing and entertaining. A newly fitted contemporary kitchen is positioned to the rear, finished to a high specification with modern units and fittings.

The property has undergone a comprehensive renovation and is presented to an excellent standard throughout, including full replastering, fresh decoration, new carpets and flooring, along with brand new kitchen and bathroom installations. This creates a true “move straight in” home while still retaining its Victorian charm.

Further enhancing the accommodation is a useful two-room cellar, offering excellent storage or potential for further use.

Externally, the property benefits from a low-maintenance concrete yard, garage, and convenient rear access, providing both practicality and security.

Ideally located, the home is within easy reach of a wide range of local amenities including shops, regular bus routes, and excellent transport links via the nearby ring road. The open green spaces of Colwick Park and its lakes are just a short distance away, while the newly implemented footbridge provides easy access into West Bridgford and its vibrant selection of cafés, bars, and restaurants.

The property currently holds C4 (House in Multiple Occupation) use and was previously granted conditional planning permission for conversion into two self-contained C3 flats, along with a single-storey rear extension. This permission was granted in September 2016 and has since lapsed, but may present future development potential subject to the necessary consents.

Offering generous accommodation, character features, and high-quality modern finishes, this chain-free home represents an excellent opportunity for families, investors, and professionals alike.
