A THREE BEDROOM SEMI DETACHED
HOUSE.

£220,000 Leasehold

A three bedroom semi detached house offering a modern contemporary home.

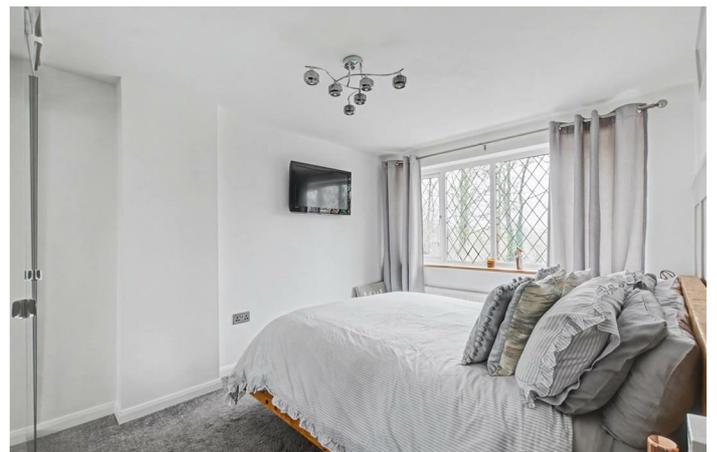

Once you step inside this property through the porch, you are welcomed by a semi open plan harmonious space which runs through the ground floor with a media wall to the living area and wood flooring which continues through the dining area to the fully fitted kitchen.

This modern theme runs through the home where there is a luxury four piece bathroom which includes an inset TV. There are three well proportioned bedrooms, the property is double glazed throughout and has the benefit of gas fired central heating served from a combination boiler controlled by a Nest smart system.

The property is set back from the road and enjoys an aspect to the front and has off-street parking for two cars. The rear gardens are attractively landscaped with patio and tiered decked areas, as well as a garden shed.

Nestled within this residential suburb in the village of Awsworth, situated on the Nottinghamshire/Derbyshire border with its own "good rated" primary and nursery school. There is a local convenience store and Awsworth is on the edge of open countryside yet offers good commutability to nearby larger towns of Ilkeston, Eastwood, Nottingham city, as well as Derby. For those looking to commute further afield, Junctions 25/26 for the M1 motorway are both accessible.

This property is ideal for first time buyers and young families and we recommend an internal viewing to avoid disappointment.
