A THREE BEDROOM SEMI DETACHED
HOUSE.

A kerbside glance is not nearly enough to fully appreciate this surprisingly spacious three double bedroom Victorian semi detached house.

This period property offers a large amount of space, ideal for growing families. A welcoming hallway leads you into the property with stairs leading to the first floor and access to the ground floor rooms where there are two good size reception rooms and a modern, fitted family kitchen. To the first floor, the landing gives access to the three double bedrooms and family bathroom.

This property enjoys larger than average rear gardens with patio and generous lawn, great for families to relax and play. Situated towards the end of this no-through road, this residential street has open fields to the bottom and to the top is Stapleford high street with a good variety of shops and facilities, and a regular bus service linking Nottingham and Derby, as well as Beeston and Queen's Medical Centre.

This location is ideal for families and commuters alike as schools for all ages are within easy reach, including Fairfield and George Spencer Academies*. A short drive away can be found the A52 linking Nottingham and Derby, Nottingham park and ride tram and Junction 25 of the M1 motorway.
