A TWO DOUBLE BEDROOM PROPERTY SITUATED ON A QUIET ROAD IN THIS MOST SOUGHT AFTER LOCATION WITH OFF STREET PARKING

Robert Ellis are pleased to be instructed to market this semi detached property which provides two double bedroom accommodation that is tastefully finished throughout. For the size of the property and privacy of the rear garden to be appreciated, we recommend that interested parties do make a full inspection so they can see all that is included in the property for themselves, with the rear garden having been landscaped and designed to help keep maintenance to a minimum and as people will see when they view, provides several places for people to sit and enjoy outside living.

The property is constructed of brick to the external elevations with the front being relieved by panelling, all under a pitched tiled roof and the well presented accommodation derives all the benefits from having gas central heating and double glazing throughout. In brief the accommodation includes a reception hall with doors leading to the well fitted kitchen which has wall mounted units and integrated cooking appliances and the lounge which is positioned at the front of the property and this leads on to the kitchen from an enclosed porch with a composite panelled front door. To the first floor the landing leads to the two double bedrooms and the bathroom with a 3 piece suite including a walk in shower. Outside there is car standing at the front of the house and a driveway leads down the side to the garden. The rear garden has a grass area with fencing and stepping stones leading to a shed and a pergola with garden furniture, all of which is kept private by having fencing to the side and rear boundaries.

The property is well placed for easy access to all the amenities and facilities provided by Long Eaton town centre which include Asda, Tesco and Aldi stores as well as many other retail outlets, there are schools for all ages within walking distance of the property, healthcare and sports facilities which include the West Park Leisure Centre and adjoining playing fields and the transport links include junctions 24 and 25 of the M1, East Midlands Airport which can be reached via the Skylink bus that takes you to Castle Donington and the airport and the A52 and other main roads which provide good access to Nottingham, Derby and other East Midlands towns and cities.
