

Henley Gardens
Stapleford, Nottingham NG9 8NQ

A TWO BEDROOM DETACHED
BUNGALOW.

£255,000 Freehold

We are pleased to offer for sale this generously proportioned two double bedroom detached bungalow.

Originally built as a three bedroom property, the accommodation has been adapted internally to provide for not just a spacious living room which could also be a lounge/diner, but there is now an archway leading through to an additional reception room (previously bedroom three and now a dining room). We believe that this adaptation is beneficial for those looking to downsize without actually downsizing.

The bungalow is situated on the flat within a relatively modern development exclusively of bungalows in this established residential area. Adjacent to a footpath which leads directly to Hickings Lane where there is a regular bus service giving access to Nottingham city centre via Beeston and the Queen's Medical Centre. There is also a medical centre and doctor's surgery on Hickings Lane. The town centre of Stapleford is no more than half a mile away which offers a good variety of shops and facilities.

The property enjoys a good size garden plot with driveway providing off-street parking for two to three vehicles in tandem and leads to a detached brick built garage. The rear gardens are enclosed with patio and lawns, offering a good degree of privacy.

Centrally heated from a combination boiler and double glazed throughout. The bathroom is currently designed as a wet room for ease of mobility.

Offered for sale with NO UPWARD CHAIN. We recommend an early internal viewing to avoid disappointment.
