

Rycroft Road,
Hemington, Derbyshire
DE74 2RE

O/I/R £400,000 Freehold

THIS IS AN INDIVIDUAL DETACHED TWO BEDROOM COTTAGE POSITIONED ON A PLOT OF LAND WHICH IS APPROX. 4.36 ACRES IN SIZE, WITH THE PROPERTY NOW BEING IN NEED OF A GENERAL UPDATING PROGRAMME BEING CARRIED OUT.

Being located on the road which takes you into Hemington village, this individual detached cottage property provides a unique opportunity for someone to purchase a home which has a large area of adjoining land which can be used for keeping horses, cultivating as it was previously used when it was a market garden, or just to have as open space around where you live. The property is being sold with the benefit of NO UPWARD CHAIN and for the size and layout of the cottage and the size of the adjoining land to be appreciated, we recommend that interested parties do take a full inspection and walk around the land so they can see all that is included in the property for themselves. The property is well placed for easy access to excellent transport links including J25 of the M1, East Midlands Airport and East Midlands Parkway station, all of which have helped to make this a very popular and convenient rural location in which to live.

The property dates back to around 1800 and since being constructed has been extended to the front, side and rear to provide additional accommodation. Deriving the benefits of an oil fired central heating system (not tested) and double glazing which probably does need replacing, the cottage includes a spacious reception hall with doors leading to a lounge, a separate dining/sitting room, there is a ground floor store off the hall which houses the boiler, the breakfast kitchen is fitted with wood finished units and there is a ground floor bathroom which has a shower over the bath. To the first floor there is an open tread staircase leading from the hall to the first floor landing from which there are doors taking you to the two bedrooms. Outside there is a utility/laundry room situated at the rear of the cottage, a double open garage/car port, there is a tractor shed positioned towards the far end of the plot and then there is the land which currently has grass which is cut once or twice a year and there is hedging to the boundaries.

Hemington is a very sought after village which has an excellent local pub and schools for younger children, with Castle Donington only being a few minutes drive away where there is a large Co-op store, an Aldi and several other retail outlets in the village centre, as well as local pubs and restaurants, there are healthcare and sports facilities including several local golf courses, walks in the surrounding picturesque countryside and as well as the M1 motorway, the excellent transport links include quick access to the A50 and A42, East Midlands Airport and East Midlands Parkway station and there are various main roads which provide quick access to Nottingham, Derby, Leicester, Loughborough and other East Midlands towns and cities.

Front Door

An opaque glazed front door leading into:

Reception Hall
