

Burford Road  
Forest Fields, Nottingham NG7 6BD

**Asking Price £315,000 Freehold**

FIVE BEDROOM SEMI-DETACHED HMO  
INVESTMENT PROPERTY

Robert Ellis are pleased to bring to the market this substantial five-bedroom HMO investment property, positioned on Burford Road in the popular and well-established Forest Fields area of Nottingham. Just one minute from the Forest Recreation Ground tram stop, the property offers direct access to Nottingham Trent University and Nottingham City Centre in only two stops.

The accommodation is arranged over three floors and offers a practical layout well suited to multi-occupancy living, with further potential to increase the rental income by creating a sixth bedroom, subject to the necessary planning permissions and consents.

To the ground floor there is an entrance hallway, a spacious bay-fronted living room with character features, a double bedroom, an open plan kitchen diner and access to the cellar. The kitchen diner provides an excellent communal space with a range of wall and base units, work surfaces, space for appliances and room for a seating/dining area.

To the first floor there are further bedrooms, a shower room, family bathroom and separate WC, providing useful facilities for the number of occupants. The second floor offers two additional bedrooms, both of good proportions. Several of the bedrooms benefit from semi-recessed vanity wash hand basins, adding further practicality for HMO use.

Externally, the property has a low-maintenance frontage with walled boundaries, while to the rear there is an enclosed yard with secure gated access to the front.

Forest Fields is a popular residential and rental location, offering excellent access to Nottingham city centre, local shops, tram links, bus routes, universities and a range of nearby amenities, making this an attractive purchase for landlords and investors. The property's generous accommodation and scope to reconfigure to provide a sixth letting room, subject to planning and any required licensing approvals, further enhances its investment appeal.

An early viewing comes highly recommended to appreciate the size, layout and investment potential of this versatile HMO property.

### Entrance Hallway

approx (approx)

Wooden glazed door to the front elevation, wall mounted radiator, staircase leading to the first floor landing, ceiling light point, coving to the ceiling, panelled doors leading off to:

### Living Room
