

Pudding Plate Close
Ilkeston, Derbyshire DE7 4SH

A FOUR BEDROOM DETACHED FAMILY HOME.

£345,000 Freehold

We are pleased to offer for sale this modern four bedroom detached family home.

Built by Persimmon Homes in 2018 having the benefit of the remainder of the NHBC build warranty. This property comes to the market in a ready to move into condition with NO UPWARD CHAIN.

A particular feature of this property is its location within this now established development. Located close to the end of Pudding Plate Close, which is adjacent to two open nature corridors, this house is a short stroll to this attractive open space where footpaths lead to the Nutbrook Trail. This is a traffic-free path which links Shipley Country Park and Long Eaton.

Another feature of this property is the installation of a contemporary glass box garden room attached to the rear of the house which provides for a relaxing space to enjoy the garden all year round.

This energy efficient (B rated) property has all the benefits of a modern home with gas fired central heating served from a combination boiler and double glazed windows throughout. This surprisingly spacious accommodation is accessed from a welcoming hallway with a living room, additional reception room (which could be used as a dining room, family room or study), an open plan family dining kitchen which is the hub of the household with high quality units including quartz work surfacing and integrated appliances, a useful separate utility room and, of course, a cloaks/WC.

Rising to the first floor, the landing provides access to four well proportioned bedrooms, the principal with an en-suite shower room, and a family bathroom completes the accommodation.

A driveway provides off-street parking for two vehicles in tandem and leads to a brick built single garage. The rear garden is attractively landscaped with patio, lawn and a decked area at the foot of the plot.

This ideal modern family home requires an internal viewing to fully appreciate the accommodation.
