The centrepiece of the home is the expansive open plan living, dining and kitchen area. Bi-folding doors open onto the rear garden, while a roof lantern introduces additional natural light. The living area incorporates a contemporary media wall and air conditioning.

The main kitchen is fitted with an extensive range of units, quartz and complementary work surfaces and a substantial central island with breakfast-bar seating. Appliances include a BORA hob with integrated extraction, ovens, microwave, warming drawer and fridge freezer. A concealed panelled door leads into a second fully fitted kitchen, providing an excellent preparation and cooking area when entertaining. A separate utility room offers additional storage and laundry space.

The first-floor landing provides access to five further bedrooms. The principal bedroom benefits from a dedicated dressing area with fitted wardrobes and dressing table, together with a stylish en-suite shower room. The remaining bedrooms offer fitted wardrobes or dressing furniture, with several also having air conditioning. The accommodation is completed by a luxurious family bathroom featuring a rainfall shower, double vanity unit and contemporary tiling.

Outside, the enclosed rear garden has been landscaped to provide a lawn and seating areas. An enclosed garden room or conservatory creates an additional space that can be enjoyed throughout the year.

This is a highly individual home offering an impressive combination of architectural design, versatile accommodation and contemporary finishes. An internal viewing is essential to appreciate the overall size, specification and flexibility of the property.
