THIS IS A TRADITIONAL VICTORIAN TWO BEDROOM END TERRACE HOUSE SITUATED ON A POPULAR ROAD, WHICH IS NOW IN NEED OF A REFURBISHMENT AND UPGRADE PROGRAMME.

Being located on Russell Street, which is in the centre of Long Eaton, this two bedroom Victorian end property provides the opportunity for a new owner to stamp their own mark on their next home. The property is currently vacant and is being sold with the benefit of NO UPWARD CHAIN and for the size and layout of the accommodation and condition of the property to be appreciated, we recommend interested parties who are looking for a project take an internal viewing. The property is well placed for easy access to Long Eaton town centre and to excellent transport links, all of which have helped to make this a popular and convenient place to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the well proportioned accommodation derives all the benefits from being double glazed. There is gas central heating and double glazing and the accommodation includes a lounge, dining/sitting room, kitchen which is fitted with wall and base units and a ground floor shower room/w.c. To the first floor the landing leads to the three good size bedrooms. Outside there is a walled area at the front of the property, a path runs down the right hand side and provides access to the rear garden which is overgrown and needs attention, but has fencing to the three boundaries.

The property is within easy reach of Long Eaton town centre where there are Asda, Tesco, Aldi and a soon to be opened Lidl store with many other retail outlets, there are healthcare and sports facilities which includes the West Park Leisure Centre and adjoining playing fields, if required there are schools for all ages and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
