

Wilsthorpe Road,  
Breaston, Derbyshire  
DE72 3EB

**£835,000 Freehold**

THIS IS A LARGE INDIVIDUAL DETACHED FAMILY HOME PROVIDING SIX BEDROOMS AND SPACIOUS GROUND FLOOR LIVING ACCOMMODATION WHICH IS SITUATED CLOSE TO THE HEART OF THIS AWARD WINNING VILLAGE.

Robert Ellis are pleased to be instructed to market this large individual detached home which has spacious accommodation that is ready to move into and in time people can then decide what alterations they might want to make to possibly combine existing rooms and finish the house to suit their own requirements. Since being originally built the property has been extended to the side and into the attic to provide additional ground floor and bedroom space and for the size and layout of the accommodation and for the privacy of the south facing rear garden to be appreciated, we recommend that interested parties take a full inspection so they can see all that is included in this lovely home for themselves. The property is situated only a few minutes walk from the centre of Breaston village which includes various shops, pubs and it is also close to excellent transport links which has helped to make this a very popular and convenient semi rural location to live.

The property is constructed of brick to the external elevations under a pitched tiled roof and the accommodation derives all the benefits from having gas central heating and double glazing. Being entered through a fully enclosed porch and the original front door, the accommodation includes a reception hall which opens to a dining area and there is a ground floor w.c. off the hall which then takes you to the main lounge, a separate sitting room which leads into a conservatory and there is the well fitted kitchen which has wood grain finished units, granite work surfaces and several integrated appliances. To the first floor the landing leads to the five bedrooms, with the main bedroom having a walk-in dressing room off which is fitted with high quality full height wardrobes and could have the opportunity to create an en-suite shower room to this main bedroom if this was required at some point by a new owner. There is then two tiled bathrooms, with the larger bathroom having a separate walk-in shower as well as a bath and there is a flight of stairs from the first floor landing to the second floor where there is a further double bedroom with an en-suite shower room/w.c. Outside there is the double integral garage which has two up and over doors to the front and internal door to the hall and the garage has a utility area to one side. There is parking at the front for several vehicles, further parking at the side where there is a car port and the gardens extend from the front down the left hand side and to the rear where there is a large Indian sandstone patio and pathway extending across the rear of the house and lawns with a central bed to the left, and a garden pond with the south facing rear garden being kept private by having new fencing to the left hand and rear boundaries and a wall, fencing and natural screening to the right hand side.

The property is only a few minutes walk from the centre of Breaston where there are a number of local shops, there are schools for younger children situated on the adjacent road with schools for older children being found in Long Eaton where there is the Wilsthorpe Academy and the Elms and Trent College independent schools, healthcare and sport facilities including several local golf courses, walks in the surrounding picturesque countryside and the transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.

## Porch

A fully enclosed porch with a UPVC and stained glass front door with double glazed leaded windows to the front and side, the porch has a light and the original arched wood panelled front door with inset stained glass leaded panels leading to:

## Reception Hall

The reception hall has been opened to the dining area and has stairs with a feature wooden balustrade leading to the first floor, cloaks cupboard off the hall providing hanging space with an original leaded opaque glazed window into the porch, cornice to the wall and ceiling, radiator and an internal door to the garage.

## Cloaks/w.c.
