A Traditional Three Bedroom Detached House
Located on a Generous Garden Plot.

Asking Price £299,000 Freehold

A traditional three bedroom detached house located on a generous garden plot.

Offered for sale with no chain, this property benefits from gas fired central heating and double glazing and is ready for immediate occupation and offers great potential for any incoming buyer to make this into a fantastic long term family home. Being on a generous plot the property lends itself to be extended and with a high roof pitch there is the potential for a loft conversion (subject to planning permission and building regulations).

The accommodation currently comprises: Entrance porch, hallway, two reception rooms which are currently opened to create a through lounge/diner and an extended fitted kitchen. To the first floor the landing provides access to three bedrooms and a family bathroom.

Off road parking is provided at the front which leads to a brick built garage with up and over doors to the front and rear giving further parking beyond to an additional garage. The rear garden is a good size and maturely landscaped.

Situated in this popular residential location, great for families and commuters alike, as there are local schools within easy reach, the property is also on a bus route and approximately one mile from the vibrant town centre of Beeston offering a wealth of shops and amenities with great transport links to other areas.

Sensibly priced to attract early and positive interest, we recommend an early internal viewing to avoid disappointment.
