A BEAUTIFUL DETACHED FAMILY HOME WHICH INCLUDES ALL YOU WOULD EXPECT FROM A HOME OF THIS CALIBRE, WITH AN INCREDIBLE OPEN PLAN LIVING SPACE AND FOUR LARGE BEDROOMS WITH AN AMAZING MASTER BEDROOM SUITE.

Robert Ellis are pleased to be instructed to market this large detached residence which over recent years has been significantly extended to the rear which has created a large open plan dining/living kitchen and a master bedroom suite. For all that is included in this lovely home to be appreciated, we recommend that interested parties do take a full inspection so they are able to see the living and bedroom accommodation provided and the size and privacy of the rear garden for themselves. As well as extending the property the current owners have refurbished the house throughout which is something people will see when they view. This award winning village offers a number of local amenities and facilities including shops and schools for younger children, while there are many more facilities provided in the nearby town of Long Eaton and there are also excellent transport links close to the property.

The property was originally built by NJC Homes and has an attractive facia brick to the external elevations under a pitched tiled roof. Deriving the benefits of gas central heating and double glazing, the tastefully finished accommodation is entered through a stylish composite front door into the reception hall which has a ground floor w.c. and cloakroom off and doors leading to the through lounge which has a bay window to the front and a large picture window to the rear, there is a study and a glazed door leads to the large open plan living/dining kitchen area, which has high quality units and Silestone and wooden work surfaces in the kitchen area and there is a three panel sliding double glazed door system leading out to the rear garden, the sitting area has a stand alone log burning stove, there is cabling on one wall for a TV and there is a second sitting area, which could alternatively be used as a play area or something similar. There is a separate utility room which has a door leading out to the side of the property and to the first floor the landing has been enlarged so it provides the right feel for the size of the new property and from the landing there are doors leading to the main bedroom suite which has glazed doors with a Juliette balcony, a walk-in wardrobe with fittings to two walls and a shower room en-suite which has a mains flow system, the second bedroom also has an en-suite shower room and there is the main family bathroom which has a stand alone bath and a separate large walk-in shower, which again has a mains flow shower system. Outside there is an adjoining brick garage with two roller electrically operated doors, off road parking and a lawned garden at the front, with the main gardens being at the rear where there is a patio leading onto a long lawned garden, there is a pebbled area at the side of the house where there is a covered barbeque area and at the bottom of the garden there is a further patio/seating area which has a pergola over and the garden is kept private by having fencing and natural screening to all the boundaries. To the right hand side of the property there is a pebbled area which could be used for storage, but could be accessed from the front and to the left there is a gate leading from the front to a wide path which has a slate chipped area to the side and there is a bin storage area between the garage and house.

In the centre of the village there are a number of shops, there are three local pubs, a bistro restaurant, schools for younger children with senior schools being found in Long Eaton where there is Trent College and Wilsthorpe Academy, with a further senior schools being found in Sandiacre, there are healthcare and sports facilities including several local golf courses, walks in the picturesque surrounding countryside and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton, Derby and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
