

**Ground & First Floor Apartments,
Regent Street,
Long Eaton, Nottingham
NG10 11X
£270,000 Freehold**

Robert Ellis are pleased to be instructed to market this ground floor two double bedroom apartment which is situated close to the heart of Long Eaton and is therefore within walking distance of all the amenities and facilities provided by the town centre.

The property is on the ground floor of just two apartments that will be built in this select development which is currently in the course of being constructed and will be completed and ready for occupation during April/May of 2024.

The building will stand back from Regent Street with parking at the front and will be constructed of an attractive facia brick to the external elevations under a pitched tiled roof. The first apartment we are marketing is on the ground floor and will have its main entrance door at the side. The well proportioned accommodation will derive all the benefits from having gas central heating, double glazing and being well insulated throughout, will be a very efficient home to run with utility costs being kept to a minimum. The property will also benefit for having solar panels on the roof and an electric car charging point.

The accommodation will include a reception hall with doors leading to the open plan living/dining kitchen which will have two windows to the front, the kitchen area will be exclusively fitted and include appliances and the living/dining area will be spacious. The two double bedrooms are positioned at the rear of the apartment and the bathroom will be luxuriously fitted with a white suite, complete with a shower over the bath. There will be high quality LVT flooring to the hall, living/dining kitchen and bathroom and carpeting to the two double bedrooms. Outside there will be a parking space at the front and a garden and sitting and drying areas at the rear.

For more information about this two double bedroom apartment, please contact Mark Philpott or Holly Torr on 0115 946 1818.
