

Derby Road
Bramcote, Nottingham NG9 3JA

£600,000 Freehold

A GRADE II LISTED THREE DOUBLE
BEDROOM PERIOD DETACHED COTTAGE.

A rare and interesting opportunity has arisen to purchase A Grade II Listed, three double bedroom period detached cottage.

Believed to have been built circa 1750, this attractive period cottage retains much of its original charm and character, sympathetically maintained and improved over the years by the current owners, introducing modern touches to make this into a fabulous family home.

Features of this property include a welcoming family dining kitchen with a small atrium linking this to the generous sitting room with cast iron log burner, with an additional reception room adjacent. Period features are on show with attractive original beams throughout the building, in particular the three double bedrooms all with vaulted ceilings to showcase the original structural beam work.

Practical features include a useful cloakroom/WC off the entrance lobby, as well as a walk-in cloakroom. The property is centrally heated with a combination boiler and partial double glazing.

Situated on a generous and private corner plot in this highly regarded residential suburb, great for families and commuters alike. Schools for all ages are within easy reach, as is open space and local amenities including a regular bus service linking Nottingham and Derby. The A52 is a short drive away linking these two cities, as well as Junction 25 of the M11 motorway. The vibrant town centre of Beeston is approximately two miles away.

The grounds to this property are approximately 1/5th of an acre and comprise a large enclosed courtyard with drive access off Derby Road providing parking for six to eight vehicles. The entrance door to this property fronts Baulk Lane where there are deep set and private gardens, with the main gardens to the rear with large patio area, lawns and garden buildings.

A characterful home both inside and out in a prime location. We highly recommend an internal viewing to avoid disappointment.

FAMILY DINING KITCHEN

22'1" x 12'5" reducing to 10'3" (6.74 x 3.8 reducing to 3.13)
A contemporary fitted range of wall, base and drawer units with contrasting roll edge work surfacing and inset one and a half bowl sink unit with single drainer.
