Robert Ellis are delighted to welcome to the market this much improved, spacious, bright and airy three bedroom, double fronted mid town house situated in this popular and established residential location.

The property also benefits from gas fired central heating from a combination boiler, double glazing, landscaped garden and the use of the communal parking area just a short walk away from the property.

The property is ideally located for families being within close proximity of nearby schooling for all ages, local play parks, both tram and bus routes, as well as easy access to open countryside and nearby walks within the surrounding area.

There is also access to Beeston and for those needing to commute a little further afield, there is easy access to the A52 for Nottingham and Derby, Junction 25 of the M11 motorway and the Nottingham electric tram terminus situated at Bardills roundabout.

We believe the property would make an ideal first time buy or young family home. We highly recommend an internal viewing.
