Price Guide £280-290,000
Freehold

THIS IS A WELL PRESENTED THREE DOUBLE BEDROOM SEMI-DETACHED PROPERTY SITUATED ON A LARGE CORNER PLOT IN THIS MOST SOUGHT AFTER RESIDENTIAL AREA.

Being located on Fairfield Crescent which is a quiet road in the lovely residential area of Sawley, this property offers extensive ground floor living space and THREE DOUBLE BEDROOMS, all of which can only be appreciated by interested parties taking a full inspection so they can see the whole property for themselves. The property also benefits from having a large garden area as well as off road parking. The property benefits from previously having planning permission for a large side extension, meaning the new owner should easily be able to do this should they wish. The property is well placed for easy access to the local amenities and facilities found in Sawley which include local shops and schools for younger children and to many other amenities and facilities offered by Long Eaton and the surrounding area, all of which have helped to make this a very popular and convenient place for people to live.

The property is constructed of brick to the external elevations all under a pitched tiled roof to the main property and the well proportioned and tastefully finished accommodation derives all the benefits of GAS CENTRAL HEATING and from being DOUBLE GLAZED. The main entrance door to the front of the property leads through into the hallway off which there is the study/playroom. The hallway has stairs leading to the first floor and a door leading into the living/dining area. This is an L-shaped lounge/dining room which has a feature fireplace and large windows at both ends. There is also a ground floor w.c. to the ground floor.

To the first floor the landing leads to the three double bedrooms and a bathroom which includes a separate shower as well as a bath and a separate w.c. There is loft access via a ladder which leads to a boarded loft space which is extremely useful for storage and does provide the potential for the property to be further enlarged into the attic space if this was something a new owner wanted to carry out. At the front of the house is a driveway big enough to park two cars comfortably, alongside a front lawn. The main lawned gardens are to the left and rear of the house where there are mature borders and fencing to the boundaries and there are two sheds included. There is a further paved and decked area to the rear of the property which really does provide a sun trap for people to sit and enjoy outside living.

As previously mentioned the property is within easy reach of the local shops and schools for younger children that are provided in Sawley whilst extensive shopping facilities including an Asda and Tesco superstore and numerous other retail outlets are found in Long Eaton as are schools for older children, health care and sports facilities which include Trent Lock Golf Club and the excellent transport links include junctions 24 and 25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads all of which provide access to Nottingham, Derby and other East Midlands towns and cities
