A MODERN FOUR BEDROOM DETACHED
HOUSE.

A modern four bedroom detached house with the unusual and very welcome benefit of three bathroom facilities.

Built approximately 2007, this well presented property offers good sized accommodation for growing families. With two reception rooms, conservatory and a dining kitchen large enough to eat in, there is plenty of useable space. In addition, there is a useful cloakroom/WC and a utility room.

Rising to the first floor, the landing provides access to four well proportioned bedrooms with both the principal and second bedroom both having en-suite facilities. There is also a family bathroom for bedrooms three and four.

Tucked away within a quiet corner of this now established residential development, the property enjoys a private rear outlook onto a small wooded area. Off-street parking for three cars is provided at the front and the garage is currently being converted to a useful storage area at the front and utility area located at the rear.

Conveniently situated and ideal for families and commuters alike, the estate is adjacent to Bilborough College and accessed off the A6002 outer loop Nottingham ring road, which links both Junctions 25 and 26 of the M1 motorway and linking the main routes into Nottingham city centre.
