

St. Helens Crescent
Trowell, Nottingham NG9 3PZ

£285,000 Freehold

A THREE BEDROOM SEMI DETACHED
HOUSE.

Situated at the head of the cul de sac with a larger than expected garden, Robert Ellis are pleased to offer for sale this semi detached house which has just had a complete program of renovation and comes to the market in a ready to move into condition. NO UPWARD CHAIN.

Behind this traditional bay fronted facade lies a modern, contemporary and surprisingly spacious home, ideal for growing families. The hub of the household is the generous open plan family dining kitchen with brand new units and built-in cooking appliances. There is a separate living room and useful cloakroom/WC to the ground floor. The first floor accommodation has been re-modelled to provide three well proportioned bedrooms and a brand new bathroom suite with separate WC. The property is double glazed throughout and has the benefit of newly installed gas fired central heating and a complete re-wire.

What sets this property apart from many is the simply stunning rear gardens, offering a large mature space for families to enjoy. There is off-street parking for two cars and there is also a detached garage.

Situated in this highly regarded suburban village, Trowell offers the best of both worlds, being close to open countryside yet far from being isolated with its own primary school, Post Office and Convenience Store, and offers good transport links and commutability to the nearby towns and Nottingham city centre.

We strongly recommend an early internal viewing of this turn key property to avoid disappointment.
