Sandiacre, Nottingham NG10 5QU

A FOUR BEDROOM, THREE STOREY
TOWN HOUSE.

Asking Price £250,000 Freehold

A surprisingly spacious four bedroom, three storey town house built by Westerman Homes in 2009.

This modern property offers a tardis-like feel with generous accommodation spaced over three floors, the ground floor comprising entrance hall, ground floor double bedroom with en-suite shower room and French doors opening to the rear garden (this would make a great studio, home office or playroom).

Rising to the first floor, the landing provides access to the living accommodation where there is a living room and dining kitchen. To the second floor is the sleeping accommodation where there are three bedrooms (the master with an en-suite shower room) and family bathroom completing the accommodation.

The property is situated at the head of a cul de sac with an integral single garage and designated parking for 2 cars in adjacent courtyard. The property has pleasant enclosed rear garden with patio and lawn.

Conveniently situated in this residential suburb within walking distance of a regular bus service linking Nottingham/Derby. There are also local shops close by including Lidl and Co-Op. For those looking to commute further afield, the A52 and Junction 25 of the M1 motorway are a few minutes drive away.

Electrically heated and double glazed throughout. Only on viewing this property internally can the accommodation be fully appreciated.
