

Alexandra Street
Stapleford, Nottingham NG9 7ED

£169,950 Freehold

A TWO BEDROOM MID-TERRACED HOME.

Behind this traditional facade lies a modern/contemporary two double bedroom home.

Opening the front door to this mid-terraced house leads you into the lounge where the focal point is the exposed brick chimney breast with inset cast iron log burner. The lounge leads into the dining room which in turn opens into a good size kitchen with a contemporary range of units installed in 2025. The kitchen has built-in cooking appliances and space for a washing machine and dishwasher.

Rising to the first floor, the landing leads to the two double bedrooms and good size, modern shower room with WC.

What cannot be appreciated from the road is the generous size of the rear garden, offering an attractive space with decking, patio and lawn, as well as a southerly aspect which catches the sun most of the day in the Summer months.

Situated just off the main high street in Stapleford on a no-through road, this property is within walking distance of a good variety of shops and facilities, including a regular bus service linking Nottingham and Derby. Schools for all ages are also within walking distance, as is a health centre and local library.

Centrally heated by a combination boiler and double glazed windows throughout.

We believe the property will make a fantastic first home, as well as being ideal for those looking to downsize to a central base. Viewing is recommended.
