

Meredith Court
Stapleford, Nottingham NG9 8LW

A THREE BEDROOM END TERRACED
HOUSE.

£179,950 Freehold

A surprisingly spacious three bedroom end terraced house.

This true family sized house comes to the market with NO UPWARD CHAIN. The property benefits from gas fired central heating and mostly double glazing.

Situated in this popular residential suburb, the property is positioned at the head of a cul de sac where there is unrestricted on-street parking at the rear. The property fronts a pedestrianised boulevard.

There is a regular bus service and local convenience store/Post Office within walking distance. Situated on the outskirts of Stapleford, close to good road networks close by such as the A52 which links Nottingham and Derby, as well as Beeston, Nottingham University and Queen's Medical Centre. Stapleford has a good variety of shops and facilities, including Aldi, library and health centre. Local schools for all ages are also within easy reach.

As well as two reception rooms, the property has the benefit of a uPVC double glazed conservatory which enjoys a pleasant aspect over the good sized and landscaped rear garden.

Sensibly priced to reflect that some updating is required, but nonetheless, this property offers fantastic potential for incoming buyers to put their own mark upon it and make into a great home.
