

Stanhope Road,  
Gedling, Nottingham  
NG4 4HP

**£250,000 Freehold**

Robert Ellis Estate Agents are delighted to bring to the market this exceptionally well-refurbished three bedroom semi-detached home, situated on Stanhope Road in Gedling. A particular highlight of the property is the scale of work that has been undertaken, with the home having undergone a comprehensive back-to-brick refurbishment, rather than simply a cosmetic update.

The extensive programme of works has included full rewiring and replumbing, the installation of a new boiler, a brand-new kitchen and bathroom, new flooring and carpets, together with a complete modernisation of the accommodation throughout. The result is a home which has been transformed internally, offering buyers the significant advantage of being able to move straight in and enjoy a freshly renovated property.

Internally, the accommodation begins with an entrance hallway leading into an impressive lounge measuring approximately 20'8" in length. Sliding doors continue into the conservatory, which benefits from heating and provides a versatile additional reception space with French doors opening onto the garden.

The brand-new kitchen has been finished in a contemporary style, offering a range of fitted wall and base units with work surfaces, an oven with induction hob, recessed spotlights and space for further appliances. Windows overlook the side and rear elevations, while a door provides direct access to the garden.

To the first floor are three bedrooms, complemented by a brand-new, stylishly finished family bathroom featuring both a panelled bath and separate shower enclosure with mains-fed rainfall shower, creating a particularly impressive finish.

Externally, the transformation continues into the enclosed rear garden, which has been attractively landscaped with lawn, gravelled areas, raised flowerbeds and a patio, creating a smart and low-maintenance outdoor space.

Having undergone such an extensive back-to-brick transformation, including a new kitchen, bathroom, boiler, full rewiring and replumbing, this is far more than a cosmetic refurbishment. An internal viewing is highly recommended to fully appreciate the quality, scale and extent of the renovation carried out.
