A MODERN TWO-BEDROOM RETIREMENT APARTMENT SITUATED WITHIN THE ATTRACTIVE MCCARTHY & STONE DAVISON HOUSE DEVELOPMENT IN THE POPULAR DAYBROOK AREA OF NOTTINGHAM.

Robert Ellis are delighted to bring to the market this two-bedroom retirement apartment, situated within Davison House, an attractive and purpose-built McCarthy & Stone retirement living development on Mansfield Road in the popular Daybrook area of Nottingham.

Designed with comfort, convenience and independent living in mind, Davison House offers an excellent opportunity for those looking to downsize into a more manageable home while enjoying the benefits of a secure and welcoming residential community. The development combines the privacy and independence of individual apartments with the added reassurance of dedicated on-site support and a range of excellent communal facilities.

The apartment offers the added benefit of two bedrooms, providing flexible accommodation for those seeking additional space. The second bedroom could be used for visiting family and friends, as a home office, hobby room or occasional guest bedroom, making the property particularly appealing to those who wish to downsize without compromising on practicality.

One of the main attractions of Davison House is the range of communal facilities available to residents. The development benefits from an attractive residents' lounge, providing a welcoming environment in which to socialise with neighbours, meet friends and family or take part in organised activities. This communal space helps create a friendly atmosphere, allowing residents to enjoy a sense of community while maintaining their independence.

The development also benefits from beautifully landscaped communal gardens, offering attractive outdoor spaces where residents can sit, relax and enjoy the surroundings during the warmer months.

For additional peace of mind, Davison House benefits from a dedicated House Manager, together with a 24-hour emergency call system and secure camera entry facilities. These features provide added reassurance and convenience, making the development particularly appealing to those seeking comfortable retirement living in a secure environment.

Further practical benefits include lift access and mobility scooter storage, helping to make everyday life more convenient and accessible for residents.

Situated on Mansfield Road in Daybrook, the development occupies a convenient position within easy reach of a wide range of everyday amenities. Nearby facilities include supermarkets, local shops, cafés, medical services and leisure facilities, while the popular Arnold town centre offers a further selection of independent retailers, national stores, restaurants and other everyday conveniences.

For those who enjoy spending time outdoors, the nearby Arnot Hill Park provides attractive green spaces, landscaped gardens and pleasant walking routes, making it an ideal location for a leisurely stroll or spending time with family and friends.

Regular public transport services along Mansfield Road provide convenient access to Nottingham city centre, Mansfield and surrounding areas, ensuring residents remain well connected to the wider area.
