A particularly deceptive three bedroom end terraced house.

This true family sized property comes the market in a ready to move into condition with NO UPWARD CHAIN benefitting from gas fired central heating and double glazing throughout.

The accommodation is arranged as follows : hallway, lounge, open plan family dining kitchen with useful separate utility room. To the first floor, the landing provides access to three well proportioned bedrooms, bathroom and separate WC.

Set back from the road with off-street parking for two vehicles, the property enjoys a particularly good sized rear garden with a large shed/workshop at the foot of the plot.

Situated in this popular residential suburb, great for families and commuters alike, as schools for all ages are nearby including Hallam Fields Junior School. Ilkeston town centre is nearby offering a good range of shops and facilities, and there are various supermarkets. Good road links lead to the larger cities of Nottingham and Derby.

We believe this property is an ideal first time buy, with space for young and growing families. Equally, with three bedrooms, the property is ideal for those looking to work from home.
